REPORT OF THE FOREST FIRE WARDEN & DISTRICT CHIEF

During this past year, the public has shown a great deal of cooperation in the prevention of fires. We wish to express our thanks for a job well done.

Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires, a synopsis of these laws follows.

FIRE PERMITS

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning (SUCH BURNING IS RESTRICTED BY REGULATION TO BE PRIOR TO 9:00 A.M. and AFTER 5:00 P.M.).

An Air Pollution regulation forbids the burning of household waste in towns where such rubbish is collected by the town.

EXCEPTIONS

Commercial or Industrial burning is allowed under normal conditions with permission of the District Fire Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property, with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

REMEMBER! ONLY YOU AND I CAN

PREVENT FOREST FIRES

MASCOMA AREA HEALTH COUNCIL

Summary of Services for Town Report

January 1, through December 31, 1970

The Mascoma Area Health Council, a non-profit visiting nurse association, covering the towns of Grafton, Orange, Canaan, and Enfield is now in its second year of operation. Ellen Williams, R.N., the pioneer of our organization, resigned in November to spend more time with her family. Gertrude Clark, R.N., who has been with us almost since the beginning is now taking Ellen's place. During the Summer the Council was fortunate to have Thelma (Webster) Smith's professional services while Ellen was on leave. Mrs. Smith left in the fall to take a full time position and Carolyn Shattuck, R.N., of Hanover was hired. The two nurses, Trudy and Cory work 40 hours a week from 8 A.M. to 4 P.M. having a central office in the M.V.R.H.S. with their own private phone (632-7234). By sharing the work load, these two part-time nurses give the towns the equivalent of one full time nurse. One nurse is funded by the towns and the other through a State Grant.

During the past year the nurses made approximately 1374 visits to patients in our surrounding towns. These visits include the new mother, well child or infant, mentally disturbed patient, cancer patient, handicapped patient, diabetic patient and many health promotion visits. During the Spring a series of immunization clinics was held in Enfield and in the Fall in Canaan for all the pre-school children of the towns covered. The Council is now planning a vision and hearing clinic for pre-school children (4-6 years) in the Spring and also more immunization clinics.

The nurses are involved in many things as well as visiting patients. They are willing to do as much as they are professionally able to help our small community and its citizens.
